September 24, 2014

The FGBNMS Advisory Council would like to formally and gratefully extend our heartfelt appreciation and thanks to our Advisory Council Coordinator, Jennifer Morgan, for her tremendous and outstanding service to our SAC, the FGBNMS, and the NMSP, spanning nearly a decade.

Jen's outstanding abilities and wonderful personality have been key factors in the success of our Council. Her exemplary organizing skills, her dedicated attention to collaborative communication, and her cheerful and positive attitude will definitely be missed.

We wish her great success in all her future endeavors.

A big "Thank You" to Jen!
